

The Process of Hydrodistillation

O-Spray Planetary Mint is created by Bioponic Phytoceuticals using state-of-the-art hydrodistillation equipment and proprietary protocols for the processing of the ingredients. O-Spray is a Bioresonant Phytotherapeutic™ healing product.

We start with the finest ingredients (Turmeric root and Spearmint) grown in Maui, Hawaii, and add pure water naturally filtered through ancient volcanic rock. Gently heating the mixture releases a vaporous steam that carries the plants unique molecular structure to condense and collect as the hydrosol essence. There are no preservatives used, only the pure natural herbs and water.

Our production facilities use only the finest glass laboratory apparatus, which give our hydrosols their purity and distinct quality. Experience the healing power of O-Spray Planetary Mint.

Enjoy the refreshing scents of: Planetary Mint, Global Lemon and World Lime

Directions: Spray 2 or 3 times into each nostril and repeat as needed. With head upright, insert nozzle into nostril. Spray firmly, quickly and inhale deeply. Exhale through the mouth.

Shake Well Before Use
Alcohol free 100% Hydrodistilled

O-Spray™

The Natural
Nose Spray

Planetary Mint

O-Spray Planetary Mint is a natural nose spray formulated to moisten the nasal passages and alleviate nasal dryness. O-Spray supports health and well being. It helps prevent colds, flu and sore throats due to dry recycled air or close proximity to those with transmittable symptoms. O-Spray helps to enhance the body's immune ability to fight against infection, and clears the sinuses. This new natural nasal spray is formulated by combining two of the most effective ingredients (Turmeric root and Spearmint) used in the treatment of nasal ailments. It helps to relieve the symptoms associated with common colds, and chronic sinusitis. The ingredients provide an unsuitable environment for germs and viruses to reproduce. Effective at the first signs of nasal dryness, O-Spray can be used on the go, while traveling, in a crowd, or any time natural nasal relief is desired.

O-Spray™

- Moistens the Nasal Passages
- Promotes Health and Well Being
- Safe and Effective
- 100% Natural
- Refreshing Scent
- Made in Maui from Hawaiian Grown Plants

Helps:

- Relieve Congestion
- Clear the Sinuses
- Support the Immune System
- Protect Against Cold and Flu Germs
- Protect Against Sore Throat

Active Ingredients:

Turmeric Root
(*Curcuma longa*)

Turmeric Root acts as a natural anti-bacterial and anti-fungal agent. It has a soothing action on respiratory ailments such as coughs and asthma.

Spearmint
(*Mentha spicata*)

Spearmint is a natural antiseptic and restorative herb used in the treatment of fevers, bronchitis, chills, common colds, and nasal congestion. It helps to clear mucous from the lungs and restore normal breathing.
